DO JUMILLA

## Where it is from

- Jumilla is one of Europe's warmest and driest wine regions.
- The native Monastrell grape is ideally suited to these conditions, needing extreme temperatures to ripen.
- The dry conditions enable healthy organic grapes to be produced without any need for chemical treatments.

## Where it is made

- Vina Elena, an exceptional family-owned winery managed by Elena Pacheco and her three sisters, grand-daughters of the original owner.
- Apart from the local Monastrell grape the family vineyards include international varietals such as Merlot, Cabernet Sauvignon and Syrah.
- The careful blending of these with Monastrell sets these wines apart from others from the area.
