EL BOS
DO TORO

Fruit-driven yet complex Toro wine with quirky appeal

- Produced with the region's indigenous Tinta de Toro variety.

- Deliberately restrained tannins but typical colour and aroma.

- Modern presentation representing the region's defining image: the bull.

- Bos is the genus for cattle.

EL BOS
DO TORO

Where it comes from

- The DO Toro offers a soft rolling landscape of sandy-textured soil, excellent drainage conditions and less than 400mm of rain per annum.

- The indigenous Tinta de Toro grapes are a clone of Tempranillo that has developed a particularly thick skin to deal with the extreme diurnal temperature ranges, giving a deep colour, rich aroma and firm tannic structure.

EL BOS
DO TORO

Tinto

- 100% Tinta de Toro.
- 3-4 months in oak.
- *Délestage* and micro-oxygenation to extract colour and aroma while toning down the tannins.
- Dark ruby colour with violet hints at the rim, clean and bright.
- Deep, intense ripe fruit and toasted aromas.
- Rich, red fruit with well-integrated oak. Smooth, long finish.
