

CHISPAS

APASIONANTE 2017

Technical data

Appellation	DO Cariñena
Winemakers	Fernando Mora and Jorge Navascues
Varietals	80% Tempranillo, 20% Garnacha
Wine style	Inspired by traditional Italian winemaking techniques, this rich, fruity style of red wine has grown in popularity in recent years. Long Wines has worked with top Spanish winemakers to innovate in the category, using selected local grape varieties and modern vinification techniques to produce a pleasingly sweet and fruit-packed wine.
Winemaking	The grapes are harvested later than usual to achieve full sugar ripeness and concentration. Fermentation is then stopped by chilling before all the sugar has fermented, creating a naturally fruit-forward wine with 12 g/l of residual sugar. Malolactic fermentation takes place and the wine is stored and aged in inert tanks to retain fresh fruit flavours.

Winemaker's notes

 Colour	Deep ruby red with bluish highlights.
 Nose	Intense aromas of forest fruits, ripe strawberries and floral hints.
 Palate	Richly fruity with pleasant sweet berry fruit flavours balanced by refreshing acidity.

Analysis

Alcohol	13.5% volume
Residual Sugar	8 g/l

Awards

Silver – Mundus Vini - 2019
