Vineyards	Las Carlinas is the result of a collaboration between Long Wines, a specialist winery and our winemaker, Fernando Mora MW. The definitive Garnacha, it is sourced from the DO Cariñena in Aragón, the area with the most hectares of Garnacha vines in Spain, many more than 100 years old. The Garnacha vines grow at high altitude (more than 700m) with no irrigation and using sustainable viticultural techniques.
Varietals	100% Garnacha
Winery	A modern winery in the heart of the DO Cariñena with the highest altitude vineyards, its young, dynamic winemaker uses cutting edge techniques to preserve the quality of the fruit.
Winemaking	Hand-harvested grapes. 20% of the wine is aged for 6 months in new French oak barrels, the rest is stored in concrete tanks.
